BILLING POLICY

The following sets forth the general billing policy of May River Dermatology, LLC ("the clinic"). Please review this information and sign where indicated.

- I understand that it is my responsibility to provide the clinic with current, accurate billing information at the time of check in and to notify the clinic of any changes in this information.
- I understand that I will be charged a \$50.00 no show fee for each missed appointment and \$150.00 for any surgical appointment that is not cancelled with a minimum 24 hour notice.
- A late fee of 1.5% per month (18% APR) may be assessed to any balance which remains unpaid 30 days after the statement date on which the balance first appears.
- I understand that I may be responsible for a 3% surcharge for statements paid via credit card. Should additional account balance information be requested by myself I may be charged \$0.50 per page.
- I understand that I am responsible for payment of my account at the time of service for deductibles, non-covered services, medically unnecessary services, copayments and insurance balances. It is my responsibility to know my specialist co-pay (which can be different than my Primary Care co-payment). I understand that this is a contractual agreement that I have with my health plan and that the clinic also has a contractual agreement with my health plan to collect co-pays at the time of service, and the clinic is required to report to the carrier any enrollees failing to pay the co-pay.
- I understand that the clinic will attempt to obtain the necessary prior authorizations prior to rendering treatment. I further understand that prior authorization is not a guarantee of payment, and that I am responsible for any bills not paid by my insurance carrier.
- I understand that if I present an insufficient funds check (NSF check) for payment on my account that I will be charged a \$30 NSF fee. I further understand that to rectify my account, I will be required to pay with cash, a money order, cashier's check, or credit card.
- I understand if my account is delinquent (sent to an outside collection agency) that I will be responsible for payment in full prior to scheduling future visits.
- I understand that there may be a small fee to copy and mail medical records.
- I understand it is the policy to collect the deductible and/or coinsurance prior to scheduling my surgical procedure. I further understand that THE FEE I AM QUOTED IS AN ESTIMATE based on 1) anticipated surgery to be performed and 2) current information provided to clinic by my insurance carrier.
- Surprise Billing Act – The DHHS has mandated that self-pay and patients with non-participating insurance plans must be given a notice of non-participating status, consent for treatment and a good faith estimate of costs by the healthcare facility or provider. These documents must be provided within 72 hours in advance of scheduled services. Emergency services are exempt from the good-faith estimate requirement, since such services are not scheduled in advance. If notice, consent, and estimate are not obtained in accordance with the Surprise Billing Act, the non-participating healthcare facility or provider must not bill, must not hold liable the participant, beneficiary, or enrollee. If a patient feels that a non-participating facility or provider has violated any provision of the Surprise Billing Act, they may file a dispute with the DHHS. The dispute resolution process must start within 120 calendar days of the date on the original bill. If the agency agrees with the patient, the patient will pay the amount on the good faith estimate. If the agency agrees with the healthcare facility or provider, the patient will pay the higher fee shown on the bill. There is a \$25 fee to use the dispute process. To learn more or obtain a form to start the dispute process, call 1-877-696-6775 or visit the DHHS website.

_____ I understand that I will be billed for any amounts due by me (copayments/coinsurance/deductibles) and that I have a financial responsibility to pay these amounts. I understand should my account become delinquent, May River Dermatology, LLC will refer my account to a collections agency and I agree to pay all of the collection costs that are incurred.
