Effective treatment requires good communication. It is critical that the New Patient Packet is completed thoroughly so we can meet your needs.

<u>Pages 2 & 3 (Social and Medical History)</u> – Please provide us with your social, medical, family history and list of current medications. If you already have a list of your medications, please attach it to the new patient packet and we will enter that information into your chart.

<u>Page 4 (Demographic Information)</u> – Please document your personal information, emergency contact, pharmacy of preference and medical insurance information. We will scan your insurance cards and photo ID so please bring them in with you to your appointment.

Page 5 (HIPAA Consent & LUX, LLC Disclosure) – The Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule gives individuals a right to be informed of the privacy practices of their health plans and of most of their health care providers, as well as to be informed of their individual rights with respect to their protected health information (PHI). <u>Page 6 (Third Party PHI Authorization)</u> – *This is an optional form*. Please let us know the name of anyone (spouse, children, relatives, or friends) you would like to give permission to access and request your health record. If there is no one you would like to authorize please write "none" or put a line across the page and sign.

<u>Page 7 (Billing Policy)</u> – This document outlines our standard billing practices. As a courtesy to our patients, we will bill their health insurance carrier(s) for medically necessary visits and procedures. In order to do this properly and in a timely manner, we will need accurate insurance information. We also ask that you pay close attention to our policies regarding 1) coinsurance, co-pays, account balances and insufficient funds, 2) biopsies, and 3) the option to leave a credit card on file.

BILLING POLICY

The following sets forth the general billing policy of May River Dermatology, LLC ("the clinic"). Please review this information and sign where indicated.

- I understand that it is my responsibility to provide the clinic with current, accurate billing information at the time of check in and to notify the clinic of any changes in this information.
- I understand and acknowledge that my credit card on file will be charged the \$100 no show fee for each missed appointment and \$500 for any surgical missed appointment that is not cancelled within a minimum 24-hour notice. I also consent to my credit card on file being charged for any and all charges for medical services and fees for which I am financially responsible for within 30 days of the statement date.
- A late fee of 1.5% per month (18% APR) may be assessed to any balance which remains unpaid 30 days after the statement date on which the balance first appears.
- I understand that I may be responsible for a 3% surcharge for statements paid via credit card. Should additional account balance information be requested by myself I may be charged \$0.50 per page.
- I understand that I am responsible for payment of my account at the time of service for deductibles, non-covered services, medically unnecessary services, copayments and insurance balances. It is my responsibility to know my specialist co-pay (which can be different than my Primary Care co-payment). I understand that this is a contractual agreement that I have with my health plan and that the clinic also has a contractual agreement with my health plan to collect co-pays at the time of service, and the clinic is required to report to the carrier any enrollees failing to pay the co-pay.
- I understand that the clinic will attempt to obtain the necessary prior authorizations prior to rendering treatment. I further
 understand that prior authorization is not a guarantee of payment, and that I am responsible for any bills not paid by my insurance
 carrier.
- I understand that if I present an insufficient funds check (NSF check) for payment on my account that I will be charged a \$30 NSF fee. I
 further understand that to rectify my account, I will be required to pay with cash, a money order, cashier's check, or credit card.
- I understand if my account is delinquent (sent to an outside collection agency) that I will be responsible for payment in full prior to scheduling future visits.
- I understand that there may be a small fee to copy and mail medical records.

Effective Date: April 26th, 2023

- I understand it is the policy to collect the deductible and/or coinsurance prior to scheduling my surgical procedure. I further understand
 that THE FEE I AM QUOTED IS AN ESTIMATE based on 1) anticipated surgery to be performed and 2) current information provided
 to clinic by my insurance carrier.
- Surprise Billing Act The DHHS has mandated that self-pay and patients with non-participating insurance plans must be given a notice of non-participating status, consent for treatment and a good faith estimate of costs by the healthcare facility or provider. These documents must be provided within 72 hours in advance of scheduled services. Emergency services are exempt from the good-faith estimate requirement, since such services are not scheduled in advance. If notice, consent, and estimate are not obtained in accordance with the Surprise Billing Act, the non-participating healthcare facility or provider must not bill, must not hold liable the participant, beneficiary, or enrollee. If a patient feels that a non-participating facility or provider has violated any provision of the Surprise Billing Act, they may file a dispute with the DHHS. The dispute resolution process must start within 120 calendar days of the date on the original bill. If the agency agrees with the patient, the patient will pay the amount on the good faith estimate. If the agency agrees with the healthcare facility or provider, the patient will pay the higher fee shown on the bill. There is a \$25 fee to use the dispute process. To learn more or obtain a form to start the dispute process, call 1-877-696-6775 or visit the DHHS website.
